## IEEE-HKN **PATHWAYS** to Industry

Leverage the power of our interactive, one-stop event platform to maximize your sponsorship. Meet with attendees, schedule interviews, exhibit in the EXPO Hall and participate in the Recruitment Fair. Premium packages offer speaking opportunities for your company leaders.

The IEEE-HKN Pathways to Industry is a 3-day virtual event that prepares students to enter the workforce and advises young professionals on how to advance through career coaching and professional development. This event connects industry recruiters with accomplished undergraduate and graduate students seeking internships and first jobs, as well as early-career professionals looking to advance. The mobile-friendly platform allows you to schedule meetings and interviews without having to leave the platform.

A Recruitment Fair will be held in conjunction with the event to give you the opportunity to schedule appointments directly with IEEE-HKN's highly motivated and skilled members. There are dedicated hours for the recruitment fair and you can invite students to interview with you in your virtual booth.
